Is this work in the Public Domain? _____

Creative Commons License: Choose one if **not in the Public Domain**

Attribution Non-commercial -This license lets others remix, tweak, and build upon your work non-commercially and although their new works must also acknowledge you and be non-commercial they don't have to license their derivative works on the same terms.

Attribution -This license lets others distribute, remix, tweak, and build upon your work, even commercially, as long as they credit you for the original creation. This is the most accommodating of licenses offered. Recommended for maximum dissemination and use of licensed materials.

Attribution Non-commercial No derivative -This license is the most restrictive, only allowing others to download your works and share them with others as long as they credit you, but they can't change them in any way or use them commercially.
